<p style="text-align: right;">Page 29</p> <p>1 that because that's how we conducted all of our</p> <p>2 hearings.</p> <p>3 So, yes, the first thing I'd have done is</p> <p>4 take all the cellphones and make sure nobody was</p> <p>5 recording before anyone ever even got out of their</p> <p>6 vehicle.</p> <p>7 Q. In which case, even the Supreme Court,</p> <p>8 nobody would be able to look at any sort of</p> <p>9 recording, any sort of video footage, in order to</p> <p>10 see what happened that day and what didn't happen.</p> <p>11 A. I guess if there's no recording, no one</p> <p>12 could look at a recording. I mean, if they didn't</p> <p>13 record, they couldn't look at the recording that</p> <p>14 wasn't recorded.</p> <p>15 Q. And that's how you would've done it?</p> <p>16 A. Correct. Yes, sir.</p> <p>17 Q. And that's how you did it in the past as</p> <p>18 bailiff for Judge Goldston?</p> <p>19 A. That's how I did it in every single hearing</p> <p>20 I've ever been in with Judge Goldston and every</p> <p>21 Family Court judge.</p> <p>22 Q. So all those prior visits to the homes of</p> <p>23 litigants that you went with Judge Goldston to,</p> <p>24 there are -- there's no recordings that anyone</p>	<p style="text-align: right;">Page 31</p> <p>1 documenting what happened during those home visits.</p> <p>2 A. To my knowledge, there was no recordings.</p> <p>3 Q. And, in fact, it was your -- your policy,</p> <p>4 your practice, to make sure that there were no</p> <p>5 recordings.</p> <p>6 A. It was not my policy. It was the Family</p> <p>7 Court rules policy and Judge Staton informed me of</p> <p>8 that Day 1 -- I'm sorry -- forgive me. Judge</p> <p>9 Goldston --</p> <p>10 MS. GOLDSTON: You used to be right.</p> <p>11 A. -- informed me, you know, that was Bailiff</p> <p>12 101. So it wasn't my policy. It was the Family</p> <p>13 Court's policy. So, therefore, it was their</p> <p>14 policy. I was going to enforce whatever policy any</p> <p>15 of my judges told me. No questions asked.</p> <p>16 Q. But the Family Court's policy is that the</p> <p>17 hearings are recorded.</p> <p>18 A. Correct. By the judge and the judge only.</p> <p>19 Q. Okay. And you knew that these other</p> <p>20 visits, that the judge was not recording them?</p> <p>21 A. I didn't physically see her recording them</p> <p>22 but I never asked her, "Hey, are you recording this</p> <p>23 hearing?" Because I would never question a judge.</p> <p>24 Q. Did you -- did you ever -- well, let me ask</p>
<p style="text-align: right;">Page 30</p> <p>1 could look at, including disciplinary authorities</p> <p>2 or the Supreme Court or whomever, to see what</p> <p>3 happened or what did not happen?</p> <p>4 MR. ROBINSON: Object to the form.</p> <p>5 Also, lacks the proper foundation as you have not</p> <p>6 asked him whether or not anybody ever tried to</p> <p>7 record other hearings.</p> <p>8 You understand why I'm objecting your</p> <p>9 form? I'm not understanding what your questions --</p> <p>10 MR. BRYAN: I understand. You're</p> <p>11 keeping me -- you're keeping me logical here.</p> <p>12 MR. ROBINSON: Okay.</p> <p>13 MR. BRYAN: Let me back it up.</p> <p>14 MR. ROBINSON: Can you understand me</p> <p>15 with that mask on?</p> <p>16 COURT REPORTER: Sure.</p> <p>17 MR. ROBINSON: Okay. Just wanted to</p> <p>18 make sure.</p> <p>19 BY MR. BRYAN:</p> <p>20 Q. During the -- during the time period in</p> <p>21 which you served with -- for Judge Goldston --</p> <p>22 A. Yes, sir.</p> <p>23 Q. -- during these home visits that you've</p> <p>24 testified about, there were no recordings</p>	<p style="text-align: right;">Page 32</p> <p>1 you first: During the period of time in which you</p> <p>2 served as a bailiff for Judge Goldston, did you</p> <p>3 have a supervisor or were you basically your own</p> <p>4 supervisor?</p> <p>5 A. I was usually the second in charge but,</p> <p>6 yeah, I usually had a supervisor.</p> <p>7 Q. Who was that?</p> <p>8 A. Let's see. Skee Barley. Jimmy Miller.</p> <p>9 Q. Well, rather than going through them --</p> <p>10 A. I mean, I just -- I've had so many</p> <p>11 different --</p> <p>12 Q. Hang on. Rather than going through all</p> <p>13 those, do you recall ever having any conversations</p> <p>14 with any of your supervisors about what you should</p> <p>15 or shouldn't do on these home visits with the</p> <p>16 judge?</p> <p>17 A. No. It was none of their business what I</p> <p>18 was doing. If the judge told me to do it, I was</p> <p>19 doing it. I didn't care. I mean, if they told me</p> <p>20 not to do it, I'd have done it anyway if the judge</p> <p>21 directed me to, and she knows that and all my other</p> <p>22 judges know that. I work for the judge.</p> <p>23 Q. So what do you recall of that, as far as</p> <p>24 your own personal involvement, on March 4th, 2020?</p>

<p style="text-align: right;">Page 33</p> <p>1 A. Is that the date of the hearing?</p> <p>2 Q. Yes.</p> <p>3 A. I was road patrol supervisor and I usually</p> <p>4 do not get dispatched to 911 calls. Usually,</p> <p>5 whoever is working with me that day gets dispatched</p> <p>6 and I just kind of organize them going to calls.</p> <p>7 So I don't think I was dispatched but</p> <p>8 either one of my guys was dispatched or I was</p> <p>9 dispatched to assist on a -- from a Family Court</p> <p>10 judge. So the 911 dispatcher come over the radio</p> <p>11 and said that the officer wanted some backup, so I</p> <p>12 went. I keyed up the radio and I think -- and</p> <p>13 Corporal White keyed up the radio and said we was</p> <p>14 on our way, and I think I was the closest one so I</p> <p>15 beat everybody there.</p> <p>16 But I was going to back up the officer. At</p> <p>17 the time, I had no clue it was Judge Goldston until</p> <p>18 I arrived on scene.</p> <p>19 Q. And when you arrived on scene, what did you</p> <p>20 observe?</p> <p>21 A. Numerous people in the road, numerous</p> <p>22 people in the driveway, and as soon as I got on the</p> <p>23 scene I knew that I was going to clear the crowd</p> <p>24 out. So I walked in and, as soon as I walked in,</p>	<p style="text-align: right;">Page 35</p> <p>1 chainsaw.</p> <p>2 And then I walked on in to another little</p> <p>3 foyer and that's where Mr. Gibson approached me and</p> <p>4 I seen the judge and Officer McPeake and Kyle Lusk.</p> <p>5 Q. At what point did you understand what was</p> <p>6 going on there?</p> <p>7 A. When I went in and spoke to Judge Goldston.</p> <p>8 Q. As far as getting called there, there was</p> <p>9 no 911 call by anybody, right?</p> <p>10 A. 911 call? I don't understand.</p> <p>11 Q. Nobody had called 911 asking for police to</p> <p>12 arrive at that residence.</p> <p>13 A. I have no idea whether Officer McPeake</p> <p>14 called 911 or whether he -- I know he -- he had to</p> <p>15 have called 911. Yes. Officer McPeake called 911</p> <p>16 because I remember him stating that he couldn't</p> <p>17 figure out how to switch his radio, the band, from</p> <p>18 the bailiff band to the 911 frequency.</p> <p>19 So, yes, I'm sure Officer McPeake called</p> <p>20 911.</p> <p>21 Q. Do you recall what he communicated?</p> <p>22 A. No. I didn't speak to him about it. It</p> <p>23 was just dispatched that an officer needed backup</p> <p>24 on a Family Court hearing, so that's what I --</p>
<p style="text-align: right;">Page 34</p> <p>1 Mr. Gibson approached me and I was just -- "Hey,</p> <p>2 hold on."</p> <p>3 And he was just complaining that they were</p> <p>4 there -- that everyone was there. So I went</p> <p>5 directly to Judge Goldston and I said, "I don't</p> <p>6 feel comfortable with the environment and</p> <p>7 everyone's here. I'm going to start clearing out</p> <p>8 people and make everyone leave."</p> <p>9 And she goes, "I didn't even think about</p> <p>10 that. I'm sorry."</p> <p>11 And I was like, "Well, I'm going to do</p> <p>12 that."</p> <p>13 So I went outside and had everyone leave,</p> <p>14 and then I went back inside and stood beside the</p> <p>15 judge for the rest of the time.</p> <p>16 Q. So when you first got there, you went</p> <p>17 straight in the house?</p> <p>18 A. Yes. Well, I mean, I looked at everyone</p> <p>19 and, you know, made sure nobody was armed or</p> <p>20 anything like that, nothing obvious, and then I</p> <p>21 walked into the garage and I think Mrs. Gibson had</p> <p>22 the chainsaw in her hand, and she was making a trip</p> <p>23 down to her family, down to their vehicle. Her</p> <p>24 brother was there, meeting him halfway to get the</p>	<p style="text-align: right;">Page 36</p> <p>1 that's what I responded to.</p> <p>2 Q. Okay. So you don't recall any more</p> <p>3 information other than that?</p> <p>4 A. There could've been. No. I mean, when you</p> <p>5 hear the words "officer needs backup", you don't</p> <p>6 really -- you go, no matter what. So, I mean, if</p> <p>7 there was more info, I didn't really listen. I</p> <p>8 just turned the blue lights on and went.</p> <p>9 Q. So at the time that you arrived, you didn't</p> <p>10 -- you didn't hear any allegations or receive any</p> <p>11 allegations that any individual had committed any</p> <p>12 criminal act?</p> <p>13 A. No.</p> <p>14 Q. All you -- all you knew was that another</p> <p>15 police officer had asked for backup?</p> <p>16 A. Correct.</p> <p>17 Q. At a Family Court hearing.</p> <p>18 A. Correct.</p> <p>19 Q. And when you arrived there, you saw people</p> <p>20 outside the house.</p> <p>21 A. Correct. I was familiar with everyone</p> <p>22 there.</p> <p>23 Q. You were familiar?</p> <p>24 A. Yeah. Yes, sir.</p>
